Some time when you're a-lone don't be sur-prised
help her un-ders-tand the love you share

When your love ap-pears be-fore your eyes
Take her in your arms and say you'll care

You can tell she loves the heart and soul of you
Know wi-thin your heart her love is al-ways there

so hur-ry it's no time to be blue
Smile a-gain it's no time to be blue
